-
1. Round cushion: 14" diameter, 6" height; filled with 2 lbs. kapok; double-stitched on one side; pleats; handle; side opening for removal or addition of kapok.
New Buckwheat Zafu: 12" diameter, 7" height; filled with 5-6 lbs of husk, shifts more easily to your individual shape, for more comfort.
-
2. Support cushion: 17" x 13"; filled with 1 lbs. kapok; squared corners; used to support round cushion.
-
3. Square Mat and Slip-Cover: Mat 32" x 32"; 6 lbs; filled with 5 layers of cotton batting. Slip-cover: 38" x 33"; finished with French seams.
-
4. Husk cushion: 17" x 12"; 4 lbs.; filled with buckwheat husks; two layers of fabric; used for kneeling posture or to support hands.
-
- Hand cushion: 2" x 4" x 5"; filled with buckwheat husks; designed to support hand in half-lotus position; use for other sorts of support as well.
(not shown)
-
- Flat support cushion: 14" x 14" x 1"; filled with cotton batting; 5 tassels; used in a variety of ways when minimal support is needed.
(not shown)
-
- Robe: Custom-fitted sitting robe; cotton and polyester blend. Traditional Japanese design: floor length, three deep box pleats in skirt.
-
- Underrobe: Same design and fit as outer robe. Unbleached 100% cotton perma-press muslin for all seasons or white 100% cotton double-backed flannel for winter. Underrobes, while not essential items, are used mainly for comfort (since the brown robes are not 100% cotton) and for added warmth in winter.
-
- Underrobe tops: In men's and women's sizes. Custom made from white or unbleached muslin; with double layered collar and second layer of fabric in the shoulder area.
(jiban)
-

All robes and cushions in brown cloth. Other colors available if you supply fabric.
