

ROCHESTER ZEN CENTER

Committees and Task Forces as of July 5, 2012

I. GENERAL POLICY

Article III(A)(4) of the Center's By-laws:

4. *Committees of the Board and the Corporation.* Consistent with section 712(a) of the Not-for-Profit Corporation Law, the Board, by resolution adopted by a majority of the entire Board (that is, four of the six Trustees), may designate from among its members standing committees, each consisting of three or more Trustees. Consistent with section 712(c), the Board may also create such special committees of the Board as the Board may deem desirable. As permitted under section 712(c), the members of such committees shall be appointed by the Board. As specified in section 712(d), each committee of the Board shall serve at the Board's pleasure. As provided in section 712(e), committees, other than standing or special committees of the Board, whether created by the Board or by the Members, shall be committees of the Corporation. The members of each such committee shall be selected as provided by the Board. As provided in section 712(e), provisions of the Not-for-Profit Corporation Law applicable to Officers generally shall apply to members of such Committees.

Statement of policy regarding Zen Center committees (from minutes of October 24-25, 1998, Board meeting):

COMMITTEES OF THE ROCHESTER ZEN CENTER

This policy applies to committees of the Rochester Zen Center, other than standing or special committees of the Board of Trustees. The possible need for a committee may be identified by anyone in the Sangha and communicated to the Board of Trustees. The Board, acting pursuant to Article III(A)(4) of the Center's By-laws, will then decide whether or not to establish the proposed committee.

If the Board determines that a committee should be formed, it will give the committee a clear charter or mission, will appoint a committee chair, and may appoint one or more of the committee's other members. The Board of Trustees may specify the number of members on a particular committee, and in general recommends that a committee have no more than nine members. If vacancies remain on a committee after the Board has made its appointments, the committee may then select additional members from the Sangha. The Trustees recommend that all newly established committees receive training in effective group process; the Board will help make such training available to committees.

The Board expects committee chairs to provide the Trustees with a semi-annual report to be distributed in advance of Trustees' meetings. These reports should also be sent to the other committee chairs. Each committee should take minutes of its meetings and regularly submit those minutes to a designated Zen Center staff member, who shall make them available to the Sangha. In addition, the Board of Trustees may specify additional responsibilities, requirements, and procedures for a committee.

Members of the Board of Trustees are always available to consult with committees or their chairs. The Board expects that committee chairs and in-town Trustees will meet as needed to

discuss pending issues and to keep one another informed. [Roshi] should be invited to these meetings.

II. ORIGIN, COMPOSITION, AND CHARTER OF COMMITTEES AND TASK FORCES

This Task Force’s draft policy statement is to include recommendations regarding what role, if any, considerations such as seniority as an ordained or un-ordained staff member, age, and personal financial circumstances should play in determining how much, if any, assistance the Center may be able to offer aged or disabled former staff members.

E. THE ABBOT’S SALARY

In accordance with section 25 of the [New York] Religious Corporations Law, the Center hereby specifies the following as constituting its rules and regulations for fixing the Abbot’s salary: The Abbot’s salary shall be determined from time to time by a Compensation Committee comprising the Center’s Officers and the Chairman of the Board of Trustees (excluding the Abbot, should he or she be an Officer or the Chairman). Any proposed change in the Abbot’s salary shall require the approval of all but one of the total number of Committee members. However, no change in the Abbot’s salary proposed by the Committee shall take effect until such change has been ratified in accordance with the procedure specified in the following paragraph.

The Compensation Committee shall forward any proposed change in the Abbot’s salary to the Board of Trustees. If the Board does not acquiesce in the proposed change, the Board shall place the proposed change on the agenda of a special or annual corporate meeting of the Center’s members, unless the Compensation Committee reconsiders and rescinds the proposed change before the meeting takes place. If the proposed change is rejected by the meeting of members, the Abbot’s salary shall continue unchanged.
